Want to Make Your Documents Interactive?

READSPEAKER ANNOTATIONS ALLOWS YOUR READERS TO MAKE NOTES, COMPLETE ASSIGNMENTS, DRAW, LISTEN TO COMMENTS, and MORE.

The ReadSpeaker annotation tool panel provides a complete set of easy- to-use note-taking tools. Users can draw or write text directly on any online document, fill in blanks, tick the answers to multiple choice questions, or add notes to learning material.

EASILY ADD THE ANNOTATIONS TOOL TO READSPEAKER DOCREADER WITH A JAVASCRIPT API
