

WCAG 2.1 AA Compliance Statement for ReadSpeaker webReader 3.3, 10 November 2020

# Statement of Accessibility for ReadSpeaker webReader

Website: ReadSpeaker webReader

[http://misc.readspeaker.com/temp/wr\\_wcag/html/index.html](http://misc.readspeaker.com/temp/wr_wcag/html/index.html)

Date of statement: 10 November 2020

Guidelines: Web Content Accessibility Guidelines 2.1

<https://www.w3.org/TR/WCAG21/>

Conformance: Level AA

I hereby declare that:

ReadSpeaker has undertaken an Accessibility Audit on ReadSpeaker WebReader version 3.3, which was released on November 10, 2020. ReadSpeaker webReader speech enables the text content of websites so that visitors can listen to the text.

ReadSpeaker webReader 3.3 was found to satisfy all Level A and Level AA success criteria of the Web Content Accessibility Guidelines (WCAG) 2.1 specification. The webReader Listen button, player, toolbar, and pop-up control panel are all fully keyboard accessible.
